

Dear J. Allen Axson Montessori Students, Parents, Teachers and Staff,

We are pleased to announce that the J. Allen Axson Montessori PTA will be participating in a fundraising and recycling program with **Fundraising for the Future** during the week of **December 5th thru December 9th**.

Fundraising for the Future is dedicated in assisting the J. Allen Axson Montessori PTA raise funds by collecting used clothing that will be recycled and sent to countries less fortunate than our own. The benefit of participating in this program is twofold – first, our school will receive payment for the donated clothing that we can use wherever the need is greatest; second, by recycling the clothing we reduce the impact on our already overflowing landfills.

Please fill bags with clothing of your own, your neighbors, relatives and friends. We will be accepting clean, gently-worn clothing of all sizes, as well as linens, handbags and shoes. If you are donating shoes, please tie them together. Any type of plastic bag will be accepted. **Remember – the more items that are donated, the larger the funds that will be raised!**

Fundraising for the Future will be collecting the bags at our location on December 9th. **We will have volunteers available at morning drop off throughout the week of December 5th thru December 9th to help collect the clothes from your car.** We are hoping for 100% participation – let's work together to make a positive impact on our school and on our environment.

Thanks for participating in this unique fundraising opportunity!

Sincerely,

J. Allen Axson Montessori PTA
